

OUR STORY

COMPANY HISTORY

Buckeye Power Sales Company, Inc. was founded by Edward Sebastian in 1947. From the very beginning we have been a servicing generator distributor serving Ohio, Indiana and Illinois with locations in Columbus, Cleveland, Cincinnati, Indianapolis and Chicago. As the oldest signed Rehlko distributor we pride ourselves in providing premium service before, during and after the sale.

Our dedicated power facilities are designed for the processes of a company supplying and servicing customers for power. Headquartered in Columbus, Ohio the company started with just three employees and has now grown to employ 200+. Buckeye Power

EXPERIENCE

We have a large installed base of generator set installations for standby and prime power. Our long list of repeat customers acquired over 75 years is a testimony to our success, reputation for quality work and experience in power generation.

All of our service technicians are thoroughly factory-trained professionals. And we don't limit ourselves to just the popular brand products - we repair all generator and automatic transfer switch makes and models.

Our experienced sales staff provides hands-on reliable support through all stages of the sales process.

- Hands-on support from local people
- Engineering for design and application
- Load calculations
- Specifications
- Technical assistance
- After sales support for parts, warranty and maintenance

RESOURCES

A full service power supply distributor that makes a difference.

- Reliable support before, during and after the sale
- Fleet of service vans ensuring our products remain fully operational 24 hours a day, 7 days a week
- Full rental fleet
- Load testing generators
- On-site maintenance
- Dedicated generator facility
- Inventories of equipment and parts for rapid response
- Dealer network

PROCESSES

Buckeye Power Sales is your reliable power equipment partner. The BPS Flywheel, helps you get your job done by:

- Focusing on developing long term relationships with our customers
- Identifying your need and developing a solution
- Providing quality equipment that meets your needs
- Verifying your equipment is performing properly
- Supporting you after the sale
- Advising you when it's more practical to replace than to repair

WE KNOW BIG IRON.

Critical power applications are part of every industry; protecting them starts with reliable Rehko generators. Our EPA-Compliant and certified diesel models deliver dependable power to a wide range of output requirements. Every Rehko generator is engineered to provide maximum power, performance, flexibility and fuel efficiency.

BPS has a large installed base of generator set installations for on-site power. Our long list of repeat customers acquired over 70+ years is a testimony to our success.
